BOUCLÉ

pronounced: Bü-klā

Bouclé is a uniquely executed motif stitch which follows a patterned design on top of a wool applique layer. The stitching has a "looped" effect, creating a beautiful texture which resembles a terry or light chenille look on top of the wool applique base.

- **Bouclé is a GEAR EXCLUSIVE Process!**
- **Process: Applique**
- **Stitch technique always sewn on top of 1 LAYER of wool**
- **Thread ALWAYS tonal to the wool (thread contrast to wool color not advised)**
- **Only one font available at this time - 8 letters max**
- **Font can be placed straight or arched**
- **Process Method: "2B1 - 2B8"**
